

POLICY & PROCEDURE MANUAL OF THE
MANASOTA INTERGROUP OF
OVEREATERS ANONYMOUS
REGION 8

INTERGROUP NO. 09240
Adopted: June 14, 2014

Article I – Name

The name of this organization shall be the Manasota Intergroup, also known as Intergroup, IG, or MSI.

Article II – Mission

“Our mission is to support our local OA groups, to raise awareness of OA in our community through public information and to communicate with the greater OA community.”

A. Twelve Steps

The Twelve Steps suggested for recovery in the Fellowship of Overeaters Anonymous are as follows:

- 1) We admitted we were powerless over food—that our lives had become unmanageable.
- 2) Came to believe that a Power greater than ourselves could restore us to sanity.
- 3) Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
- 4) Made a searching and fearless moral inventory of ourselves.
- 5) Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
- 6) Were entirely ready to have God remove all these defects of character.
- 7) Humbly asked Him to remove our shortcomings.
- 8) Made a list of all persons we had harmed and became willing to make amends to them all.
- 9) Made direct amends to such people wherever possible, except when to do so would injure them or others.
- 10) Continued to take personal inventory and when we were wrong, promptly admitted it.
- 11) Sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
- 12) Having had a spiritual awakening as the result of these Steps, we tried to carry this message to compulsive overeaters and to practice these principles in all our affairs.

B. Twelve Traditions

The Twelve Traditions of Overeaters Anonymous are:

- 1) Our common welfare should come first; personal recovery depends upon OA unity.
- 2) For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3) The only requirement for OA membership is a desire to stop eating compulsively.
- 4) Each group should be autonomous except in matters affecting other groups or OA as a whole.
- 5) Each group has but one primary purpose—to carry its message to the compulsive overeater who still suffers.
- 6) An OA group ought never endorse, finance or lend the OA name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
- 7) Every OA group ought to be fully self-supporting, declining outside contributions.
- 8) Overeaters Anonymous should remain forever non-professional, but our service centers may employ special workers.
- 9) OA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
- 10) Overeaters Anonymous has no opinion on outside issues; hence the OA name ought never be drawn into public controversy.
- 11) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, films, television and other public media of communication.
- 12) Anonymity is the spiritual foundation of all these Traditions, ever reminding us to place principles before personalities.

C. Twelve Concepts

The Twelve Concepts of OA Service are:

- 1) The ultimate responsibility and authority for OA world services reside in the collective conscience of our whole Fellowship.
- 2) The OA groups have delegated to World Service Business Conference the active maintenance of our world services; thus, World Service Business Conference is the voice, authority and effective conscience of OA as a whole.
- 3) The right of decision, based on trust, makes effective leadership possible.
- 4) The right of participation ensures equality of opportunity for all in the decision-making process.
- 5) Individuals have the right of appeal and petition in order to ensure that their opinions and personal grievances will be carefully considered.

- 6) The World Service Business Conference has entrusted the Board of Trustees with the primary responsibility for the administration of Overeaters Anonymous.
- 7) The Board of Trustees has legal rights and responsibilities accorded to them by OA Bylaws, Subpart A; the rights and responsibilities of the World Service Business Conference are accorded to it by Tradition and by OA Bylaws, Subpart B.
- 8) The Board of Trustees has delegated to its Executive Committee the responsibility to administer the OA World Service Office.
- 9) Able, trusted servants, together with sound and appropriate methods of choosing them, are indispensable for effective functioning at all service levels.
- 10) Service responsibility is balanced by carefully defined service authority; therefore, duplication of efforts is avoided.
- 11) Trustee administration of the World Service Office should always be assisted by the best standing committees, executives, staffs and consultants.
- 12) The spiritual foundation for OA service ensures that:
 - a) no OA committee or service body shall ever become the seat of perilous wealth or power;
 - b) sufficient operating funds, plus an ample reserve, shall be OA's prudent financial principle;
 - c) no OA member shall ever be placed in a position of unqualified authority;
 - d) all important decisions shall be reached by discussion, vote and, whenever possible, by substantial unanimity;
 - e) no service action shall ever be personally punitive or an incitement to public controversy; and
 - f) no OA service committee or service board shall ever perform any acts of government, and each shall always remain democratic in thought and action.
