ARTICLE I. INTRODUCTION

This Policies and Procedures Manual (P&P) guides the business practices of Manasota Intergroup, Inc. (MSI), a service body duly registered with the World Service Office of Overeaters Anonymous, Inc. (OA, Inc.). Its purpose is to support MSI's trusted servants by providing clear, practical guidance on Board, Committee, and MSI Representative (IR) service duties and responsibilities; financial policies and practices related to funding and reimbursements; and the Standing Rules process.

The Policy and Procedure Manual reflects MSI's group conscience. Amendments or updates to this Manual require a majority vote of voting members present at any Regular or Special MSI Meeting. Any proposed amendment may be submitted by any MSI member at these meetings. All practices adhere to Overeaters Anonymous (OA) Twelve Steps, Twelve Traditions, and Twelve Concepts of OA Service. Formal advance notification of proposed amendments is not required.

ARTICLE II. MSI GOVERNING DOCUMENTS

1. MSI shall maintain an Annual Budget aligned with its fiscal year.
2. The Annual Budget shall reflect MSI's anticipated income and expenses, incorporating the MSI Prudent Reserve as defined in Article VII of the MSI Bylaws.
3. All necessary budget input, anticipated service-related expense needs, and any adjustments based on the prior year's budget performance shall be submitted to the Treasurer by October 1 each year.
4. The Proposed Annual Budget shall be distributed to MSI voting members at least seven (7) days in advance of the November Annual MSI Meeting.
5. The Proposed Annual Budget shall be presented and discussed at the November Annual MSI Meeting. It requires a majority vote of the voting members present to be adopted.
6. The Adopted Annual Budget shall be recorded in the MSI Meeting Minutes and made available to MSI Members via the MSI Email List.
7. If the MSI Annual Budget is not adopted at the November Annual MSI Meeting, the prior year's budget shall remain in effect until a new budget is adopted.
8. The Annual Budget shall include a Miscellaneous Expense line item, for one-time, unforeseen, or incidental costs not otherwise allocated to a specific expense budget line.
 - a. *Note:* The Miscellaneous Expense line covers small incidental costs, such as printing and copies, one-time postage, new meeting startup requests, literature support for service positions, and other minor expenses that do not currently fit into an existing expense budget line. (This list is provided as guidance and is not exhaustive; MSI voting members retain discretion to approve appropriate use of the Miscellaneous Expense line.)
 - b. Expenditure requests for the Miscellaneous Expense line shall not be disbursed automatically. Each request shall be presented for approval by a majority vote of MSI voting members at a Regular or Special MSI Meeting before funds are disbursed.

- c. The Miscellaneous budget expense line shall not be used for recurring or predictable expenses, nor to cover overages from any existing budget expense line.
- d. Repeated Miscellaneous requests of the same type shall be evaluated for migration to a dedicated expense budget line at the following budget review.
- 9. All amendments to the Adopted Annual Budget, i.e., budget override requests during the fiscal year, or the creation of a new Expense Budget Line item, require approval by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
 - a. For approval, a funding source for the budget revision shall be identified—i.e., a reallocation from another budget line or the use of funds in excess of the Prudent Reserve.
- 10. The Treasurer may disburse funds as authorized in the Adopted MSI Annual Budget, provided such disbursements comply with Article VIII, Section D. Expense Reimbursements, and Section G., Funding for WSBC Delegate and Region 8 Representative(s), of these Policies and Procedures.

E. 7th Tradition Contributions

- 1. MSI shall be fully self-supporting, primarily through voluntary 7th Tradition contributions from its members and MSI-affiliated groups, and shall neither solicit nor accept outside donations.
- 2. Contributions may be sent to MSI at any time during the year, either by using the secure online contribution platform or by check. Current contribution information, options, and the ability to make online donations can be found on the MSI Website at oamanasota.org.
- 3. Seventh Tradition contributions are suggested at all MSI workshops and events. For retreats, a registration fee shall be charged to cover room, meal, and related expenses.
- 4. All funds collected at MSI events or retreats, whether by 7th Tradition contributions or fees, shall be recorded as income. Amounts up to the cost of the event shall be applied to related expenses, with any surplus considered a contribution to MSI.
- 5. All funds received by any MSI Member in connection with MSI-related services, including workshops, events, retreats, or other activities, shall be submitted to the Treasurer at the next Regular MSI Meeting or within thirty (30) days after collecting the funds.
- 6. MSI-affiliated groups are encouraged to support service at all levels by sending 7th Tradition contributions to MSI, WSO, and Region 8; the group conscience of the individual group shall determine the percentage or amount allocated to each. See oa.org for guidelines.
- 7. Manasota Intergroup, Inc. (MSI) is a Florida Not-for-Profit Corporation and is not a 501(c)(3) Federal Tax-Exempt organization. Seventh Tradition contributions to MSI are therefore not tax-deductible.

F. Expense Reimbursements

- 1. MSI affirms that it shall not cost a trusted servant to serve. Any expenses reasonably incurred by the MSI Board or Committee Chairs in fulfilling the duties and

responsibilities of their position shall be reimbursed, provided the request is submitted in accordance with these Financial Policies.

2. For expense advances or reimbursement to be funded, service actions, activities, or events shall have been discussed and approved by MSI voting members and be within the committee's or service position's approved budgeted expense line as adopted in the Annual Budget.
3. An MSI Member may request that approved expenses be paid directly by an authorized MSI cardholder on the MSI bank card, rather than paying from their personal account.
4. Expenses for MSI workshops, events, and retreats are expected to be offset by suggested 7th Tradition contributions and, when applicable, retreat or event fees. These funds shall be recorded and applied directly to the related event costs, with the goal of the event breaking even rather than operating at a loss.
5. Facilities provided at no charge for MSI workshops, events, and retreats shall be given a donation amount, determined by the majority vote of MSI voting members, in accordance with OA Traditions.
6. Requests for expense advances shall follow these guidelines prior to the disbursement of funds:
 - a. Advance requests with proper documentation shall be submitted to the Treasurer at least fourteen (14) days prior to the payment due date.
 - b. Documentation for requested advances for expenses may include invoices, fee pages showing the amount, fare quotes, itineraries, or reservation confirmations—including the rate, taxes, fees, and dates.
 - i. If the expense is fully documented and within the Adopted MSI Annual Budget expense line, the Treasurer may proceed with the advance.
 - ii. If any part of the request is undocumented, unclear, unbudgeted, exceeds the budget expense line, or would place the remaining Prudent Reserve needs at risk, the advance requires approval by a majority vote of MSI voting members at a Regular or Special MSI Meeting before disbursement.
 - c. Final receipts for all advanced funding shall be submitted to the Treasurer for reconciliation at the next Regular MSI Meeting or within thirty (30) days after the expense was incurred.
 - i. Additional eligible expenses not covered by the advance may be reimbursed in accordance with the Expense Reimbursement policy.
 - ii. Any unused advanced funds shall be returned to MSI upon reconciliation.
 - iii. Final receipts submitted after thirty (30) days require approval by majority vote of MSI voting members at a Regular or Special MSI Meeting, before reimbursement may be made.
 - d. The Treasurer shall report any outstanding or unreconciled expenses, or any unreturned advances, beyond 30 days of the event or expense incurred, in the monthly Treasurer's Report.
7. Requests for expense reimbursements shall follow these guidelines prior to the disbursement of funds:
 - a. Reimbursement requests with proper documentation shall be submitted to the Treasurer at the next Regular MSI Meeting or within thirty (30) days after the date the expense was incurred.

- i. Requests submitted after thirty (30) days require approval by majority vote of MSI voting members at a Regular or Special MSI Meeting, before reimbursement may be made.
 - b. Documentation for requested reimbursement of expenses may include itemized receipts, paid invoices, credit card or bank statements clearly tied to the expense, or other proof of payment that verifies the actual expense incurred, including the rate, taxes, fees, and dates. Quotes, estimates, or unpaid invoices are not sufficient documentation.
 - i. If the expense is fully documented and within the Adopted MSI Annual Budget expense line, the Treasurer may proceed with the reimbursement.
 - ii. If any part of the request is undocumented, unclear, unbudgeted, exceeds the budget expense line, or would place the remaining Prudent Reserve needs at risk, reimbursement requires approval by a majority vote of MSI voting members at a Regular or Special MSI Meeting before disbursement.
 - c. The Treasurer shall report any outstanding or unreconciled expenses, beyond thirty (30) days of the event or expense incurred, in the monthly Treasurer's Report.
8. Requests for Miscellaneous expense budget line funding shall follow these guidelines prior to the disbursement of funds:
- a. Miscellaneous expense budget line funding may be requested by Members of the MSI Board not in funded service positions, MSI-affiliated groups, or MSI Members if it shall result in a specific benefit for MSI, MSI-affiliated groups, or OA as a whole.
 - b. Consideration is contingent on sufficient available funds in the Miscellaneous expense budget line at the time of the vote.
 - c. When feasible, the MSI Member or MSI-affiliated group shall be self-supporting, in the spirit of the 7th Tradition, and provide a portion of the requested funding from their group treasury, or personal funds, as applicable.
 - d. Each request shall be presented to MSI voting members for approval by a majority vote at a Regular or Special Meeting before funds are disbursed.
 - e. Miscellaneous expense budget line funding shall be determined as follows:
 - i. One-time, time-sensitive, service-related expense needed to keep MSI or its MSI-affiliated groups operating or to satisfy a required obligation, resulting in a clear benefit to MSI members.
 - ii. New meeting start-up essentials for minimal one-time needs, enabling a new group to launch its first meetings.
 - iii. An individual MSI Member's request may be considered when the expense is MSI-sanctioned and service-oriented. Funding is limited to registration and required OA-approved materials only; no travel, lodging, or per diem is funded.
 - f. The MSI-affiliated group or MSI Members requesting MSI Miscellaneous expense funding shall be prioritized as follows:
 - i. First-time requesters, requests from small MSI-affiliated groups with low attendance, requests from MSI-affiliated groups that do not have a Prudent Reserve, and, if previous requests were made, the period between requests shall be considered.

- g. Recipients shall submit final receipts for all Miscellaneous expense funding to the Treasurer for reconciliation at the next Regular MSI Meeting or within thirty (30) days after the expense was incurred.
- h. Recipients are encouraged to provide a brief follow-up share or update at a Regular MSI Meeting on the benefits and recovery impact from the Miscellaneous expense funding received.
- 9. Missing or unreceived reimbursement checks shall not be reissued until ninety (90) days have elapsed, unless an earlier reissue is approved by a majority of voting members at a Regular or Special MSI Meeting.
- 10. The bank states the validity period on the reimbursement check; upon expiration, MSI follows the bank's determination and treats the check as void.

G. Funding for WSBC Delegate and Region 8 Representative(s)

Funding for the World Service Business Conference (WSBC) Delegate and Region 8 Representative(s), hereinafter referred to as "members," shall be provided, based on available MSI funds, for expenses incurred in attending the WSBC or Region 8 Assembly(ies), hereinafter referred to as "Business Meetings."

- 1. A member traveling on behalf of MSI is a trusted servant and shall use MSI funds prudently, choosing the most economical options reasonably available, consistent with safety and timely fulfillment of service.
- 2. Funded expenses are limited to registration, transportation, lodging, meals, and reasonable customary gratuities.
- 3. Any variation from these policies requires prior approval by a majority vote at a Regular or Special MSI Meeting; unavoidable exceptions will be reviewed after the member's return.
- 4. Expenses that can be reserved or purchased in advance—such as airfare, rail or bus tickets, lodging, registration, and any event-hosted meals—shall be booked at least thirty (30) days prior to the Business Meetings.
 - a. Any additional costs attributable to late booking—including higher prices, rush, reissue, or penalty fees shall not be funded without prior approval by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
 - b. Changes or cancellation fees are funded only if due to circumstances beyond the member's control, or if medically necessary and approved by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
- 5. - 7. The member shall submit a request to the Treasurer for an advance or reimbursement of transportation-related expenses.
 - a. Travel by air shall be booked at least thirty (30) days prior to the Business Meetings at the lowest reasonable total cost, including the base fare, mandatory

taxes, carrier-imposed surcharges, and, when reasonably necessary, fees for one checked bag.

- i. If the Business Meeting location is within two hundred (200) miles of a member's home, approval to fund airfare must be obtained by a majority vote of MSI voting members at a Regular or Special MSI Meeting, based on a documented lower total cost or on accessibility and safety needs.
 - ii. Seating upgrades, extra-legroom, and priority boarding are not funded unless medically necessary and pre-approved by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
 - iii. A member may choose to use personal frequent-flyer miles or reward points; however, MSI shall fund only actual out-of-pocket taxes and fees not covered. Redeemed points or miles have no cash value for reimbursement purposes. MSI shall not pay a cash equivalent for the value of points, miles, or other loyalty benefits used.
- b. Travel by ground transportation between home and Business Meetings shall be booked at least thirty (30) days prior to the Business Meetings at the lowest reasonable total cost option, consistent with safety, accessibility needs, and timely arrival.
- i. On-demand services, such as taxis, rideshares, public transit, or shuttle services, used for travel between the airport and business meetings are not subject to the 30-day requirement.
 - ii. When practicable, members traveling on similar itineraries shall share rides to reduce cost.
 - iii. Personal side trips, premium services, priority pickup, and valet parking are not funded unless they are due to a medical necessity or an accessibility and safety need; pre-approval is required by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
- c. Travel by the member's personal vehicle is funded at the Internal Revenue Service's standard mileage rate for charitable purposes; no separate fuel or EV charging reimbursement is provided.
- i. Tolls and economy lot parking are funded as necessary.
 - ii. Traffic or parking fines and violations are not funded.
 - iii. Member shall provide a travel mileage log detailing the dates, origins, and destinations, along with the miles driven, and. receipts for tolls and parking.
 - iv. If Business Meetings and personal miles are combined, members shall exclude the personal mileage.
- d. Travel by a rental car shall be booked at least thirty (30) days prior to the Business Meetings; pre-approval is required by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
- i. Rental car usage may be considered when it is clearly more economical than other modes of travel, operationally necessary due to limited transit or service to venues, the member is transporting materials or equipment; a personal vehicle is unavailable or not feasible; or accessibility or safety considerations warrant it.
 - ii. If approved, the base rental rate, mandatory taxes and fees, tolls, and economy lot parking will be funded as necessary.

- iii. If required by the rental agency, the vehicle shall be refueled or charged at the lowest reasonable local retail rate near the return location prior to return to avoid rental agency refueling surcharges.
 - (a) Rental-agency refueling, unless unavoidable, including per-gallon penalties or surcharges, is not reimbursable.
 - (b) EV charging, unless unavoidable, shall be at public-network charging stations at standard rates; idle fees, nor premium, or expedited charging are reimbursable.
 - iv. Traffic or parking fines and violations, premium vehicles, upgrades or optional add-ons, additional-driver fees, and duplicate insurance add-ons when coverage is already in place are not funded.
 - v. Member shall provide the rental car's final receipt, showing the dates and charges, as well as any additional fees, including fuel, EV charging, tolls, and parking.

 - i. The WSBC Delegate shall be funded for up to five (5) nights.
 - ii. The Region 8 Representative(s) shall be funded for up to two (2) nights.
 - iii. Unless otherwise approved, MSI funds lodging for Business Meetings according to the following:
 - (a) Lodging funding begins on the first night of arrival, typically on the afternoon before the first day's morning business session, or on the same day of arrival if the first day's business session begins that evening.
 - (b) Followed by lodging funds for the actual Business Meeting days, with check-out no later than the morning after the last business session when it has a late ending, the member is attending the Business Meeting's hosted banquet, or when same-day return scheduling is impracticable or unsafe due to distance.
 - (c) Members may depart on the same day as the business sessions conclude, when feasible and preferred.
 - iv. ADA-accessible rooms with a rate differential are funded when needed for accessibility, as an exception to the standard room lodging.
 - v. In addition, funding includes mandatory taxes, lodging fees, and internet service, if not included and needed for service work.
 - vi. Members are to place a personal card on file for lodging incidentals, if required; MSI does not reimburse personal incidentals.
 - vii. A member may choose to use personal hotel rewards or points; however, MSI shall fund only actual out-of-pocket taxes and fees not covered. Redeemed

 - ix. Additional nights, early check-in, or late check-out to accommodate the Business Meetings' schedule or accessibility needs require prior approval by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
 - x. The member submits the final itemized lodging receipts, which show the nightly room rate, taxes, fees, dates, and the total marked paid. Original confirmation emails alone are insufficient.
- c. Room sharing is encouraged when practicable to reduce cost, but no member is required to share.
 - i. A member may decline to share a room and may be accompanied by a companion or family member when necessary to safeguard their recovery and well-being, due to accessibility, scheduling, or other personal considerations. Such decisions shall be respected as the prudent judgment of a trusted servant, and the member's room will be covered under MSI lodging.
 - ii. When one or more MSI members share a room with an MSI-funded Member, MSI reimburses the cost of one standard room, including mandatory taxes and fees.
 - iii. If a member elects to share a room with a non-MSI-funded Business Meeting member, MSI shall reimburse 50% of the standard room cost and 50% of mandatory taxes and fees.
- 9. The member shall submit a request to the Treasurer for an advance or reimbursement of meal-related expenses.
 - a. Meal expenses are funded up to \$75 per day, including taxes, based on that day's business session scheduling and participation.
 - i. On days with a full Business Meeting schedule, meals are reimbursable up to \$75 per day for breakfast, lunch, and dinner combined.
 - ii. On travel-in days before the first session or travel-out days after the final session, only one meal is reimbursable at a reasonable cost; the \$75 daily total limit does not apply on these partial days. Typically, dinner is funded on the travel-in day to the Business Meetings, and breakfast is funded on the travel-out day for the return home.
 - b. In some instances, the Business Meetings may offer optional event-hosted meals, such as meal packages through the hosting venue, a hosted luncheon, or an evening banquet, that exceed the daily meal funding. Event-hosted meal options are considered exceptions to the \$75-per-day limit.
 - i. Members may choose to participate in these event-hosted meals, provided funding is available, to support their full participation in the Business Meetings. If they do, the daily \$75 meal limit will be adjusted accordingly, as their meals may exceed the limit.
 - ii. MSI shall fund the full cost of these event-hosted meals provided:
 - (a) The event-hosted meals are listed on the registration form or event materials.

- (b) The member notifies the Treasurer in advance of intent to participate in these event-hosted meals for budgeting purposes.
- (c) The event-hosted meals are booked with registration at least thirty (30) days in advance; thereafter, pre-approval is required by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
- (d) When an event-hosted meal is funded, no additional funding for that meal period is reimbursable. The full daily \$75 meal limit is reduced proportionally to the number of remaining meals; only those remaining meals are eligible.
- (e) If a meal is included in the Business Meeting registration or in the lodging rate, such as a complimentary breakfast or a hosted lunch, that meal period is not reimbursable, unless approved by a majority vote of MSI voting members at a Regular or Special MSI Meeting.
- c. Meals purchased during travel or at the Business Meeting are exempt from the 30-day booking requirement.
- 10. All expense receipts and documentation are to be submitted in accordance with Article VIII, Section F. of these Policies and Procedures.
- 11. When a Business Meeting offers both virtual and in-person participation options, the member's attendance method shall be discussed and determined by a majority vote of MSI voting members at a Regular or Special Meeting.
 - a. Default to virtual attendance for that Business Meeting shall be considered if MSI's bank balance does not sufficiently cover its Adopted MSI Annual Budget, the remaining expense budget line is insufficient to cover in-person costs, or if funding in-person would place the remaining Prudent Reserve needs at risk.

H. Audits

- 1. An Annual Year-End Audit of MSI's bank account and financial records shall be conducted to verify accuracy, ensure accountability, and promote transparency.
- 2. An End-of-Term Audit of MSI's bank account and financial records shall be conducted whenever a Treasurer's term concludes or when a Treasurer resigns mid-term, to ensure the accurate transfer of financial responsibility and accountability at the point of transition, and the continuity of MSI operations.

ARTICLE IX. STANDING RULES FOR MSI MEETINGS

A. Motions and Debate

- 1. Members may raise discussion items informally; however, any action requires a motion.
- 2. When motions are presented, a second is required.
- 3. Agreed-upon discussion time may be established, e.g., 5 or 10 minutes.
- 4. The maker of the motion speaks first; the Chair then alternates recognition between pro and con speakers, including clarifying questions through the Chair, before putting the question to a vote.
- 5. Members raise their hands and wait to be recognized by the Chair before speaking.

6. The Chair maintains the focus on the current motion and keeps the speaker queue in order.
7. Each member shall have the opportunity to speak once; they may share their remarks again, if time permits, after all who wish to speak have already done so.
8. The Chair shall handle any amendments that arise.
9. MSI may decide to postpone the motion for another time or vote to extend the discussion time, provided that a majority vote of MSI voting members present approves it.
